

December 2015

A Year In Review

As we wrap up 2015 and get ready for the New Year, let's take a quick look back on the different topics we've covered throughout the year to help you better assist your customers in their self-employment and small business ventures.

January: [Supporting Your S/E Customer's Progress – The Magic of Budget Deviation](#) | A new tool for helping self-employed customers plan, track, and manage their expenses efficiently and responsibly.

February: [Tools for Effectively Supporting Self-Employment Customers](#) | The enhanced Business Development Systems make it easier for counselors to provide support and guide self-employed customers.

March: [Marketing Help for the Self-Employed](#) | Tips and solutions for helping self-employed customers start and maintain online marketing campaigns for their businesses.

April: [Spring Ahead with Self-Employed Customers](#) | Advice on how to make the process of assisting customers as they move forward in their self-employed venture more efficiently.

May: [Cash Flow Management for the Self-Employed](#) | Solutions for helping customers improve cash flow management within their self-employed and small businesses.

June: [Help NHVR Self-Employment Customers Have a Great Summer](#) | Marketing suggestions for building customer awareness during the summer months.

July: [Celebrating VR Customer Self-Employment Success](#) | A summary of the success NHVR and KISBD have had in their collaboration to help individuals with disabilities start, grow, and succeed in business.

August: [Social Media Marketing](#) | A summary of the different social media venues and their benefits that self-employed customers could use in their online marketing strategies.

September: [9 Steps to Facilitating VR Customer Progress with Self-Employment](#) | Enhancing the process counselors are required to go through when assisting a customer with a self-employed or small business venture.

October: [A Counselor's Journey in Supporting Customers with Self-Employment](#) | An infographic of the stages counselors go through when supporting a self-employed customer using the Business Development System.

November: [Success: overcoming hurdles](#) | NHVR is featured in an article by Dr. Deborah Osgood in the New Hampshire Business Review, highlighting the success of their self-employment program.

Thank you all for the work that you do assisting individuals with disabilities achieve independence through self-employment and small business. We look forward to continuing to work with you in 2016.

Wishing you all a happy and prosperous New Year!
